Florence (Art & Architecture) Rolf C. Wirtz

Each volume of the ART & ARCHITECTURE series is opulently illustrated. The highly readable texts give you concentrated information on accessing well and lesser known sites in the world of art. An image of every piece of art that is described is included, allowing readers to easily recognize the original on site. Insets on cultural-historical topics and illustrated glossaries, summaries, and timelines supplement the body text - leaving a deeper, more lasting impression of the material that is covered. Convenient compact format makes these books particularly handy to take along as a guide while viewing the great works featured within.
