Nostalgia imperial: Escravidão e formação da identidade nacional no Brasil do Segundo Reinado: 1 (Portuguese Edition) Ricardo Salles

Nos termos propostos em Nostalgia Imperial, a história do Império é a história da formação da matriz de civilização escravista da Nação. Matriz que perdurou, e se renovou ainda por muito tempo, em novas bases, na sociedade brasileira, mesmo depois da Abolição. Daí a proposição central de que na raiz da nostalgia do Império, que ainda se percebe aqui e acolá, encontra-se, velada ou abertamente, uma nostalgia da escravidão.
