The New Adobe Home Michael Byrne, Dottie Larson

THE NEW ADOBE HOME PRESENTS THE SOPHISTICATED, elevated use of adobe through a variety of elegant homes in New Mexico, Arizona, California, and Mexico. These homes comprise a combination of history, furnishings, art, and interior and exterior spaces with adobe construction, adobe style, or detailing. This beautiful volume features examples of luxurious adobe or adobe-style homes, including a centuries-old renovated hacienda, once the home of a past president of Mexico; a mid-century Clifford May masterpiece; a luxurious estate that pairs Southwestern style with Asian influences; a contemporary dwelling that sits like a sculpture in the Sonoran Desert; and many others.
