The Trinity Game (The Game Trilogy Book 1) Sean Chercover

2013 International Thriller Award Nominee

Daniel Byrne is an investigator for the Vatican's secretive Office of the Devil's Advocate—the department that scrutinizes miracle claims. Over ten years and 721 cases, not one miracle he tested has proved true. But case #722 is different; Daniel's estranged uncle, a crooked TV evangelist, has started speaking in tongues—and accurately predicting the future. Daniel *knows* Reverend Tim Trinity is a con man. Could Trinity also be something more?

The evangelist himself is baffled by his newfound power—and the violent reaction it provokes. After years of scams, he suddenly has the ability to predict everything from natural disasters to sports scores. Now the mob wants him dead for ruining their gambling business, and the Vatican wants him debunked as a false messiah. On the run from assassins, Trinity flees with Daniel's help through the back roads of the Bible Belt to New Orleans, where Trinity plans to deliver a final prophecy so shattering his enemies will do anything to keep him silent.
