While the Women Are Sleeping

Javier Marías

While the Women Are Sleeping Javier Marías

A dozen unforgettable stories by “one of the most original writers at work today” (Wyatt Mason, *The New York Times Book Review*).

Slippery figures in anomalous situations — ghosts, spies, bodyguards, criminals — haunt these stories by Javier Marías: the characters come bearing their strange and special secrets, and never leave our minds. In one story, a man obsessed with his much younger lover endlessly videotapes her every move, and then confides his surprising plans for her; in another a ghost can't stop resigning from his job. Masterfully, Marías manages in a small space to perplex and delight. “The short story fits Marías like a glove,” as *Le Point* noted. His stories have been hailed as “formidably intelligent” (*The London Review of Books*), “a bracing tonic” (*Chicago Tribune*), and “startling” (*The New York Times Book Review*).

From reader reviews:

Jerry Osbourne:

What do you think of book? It is just for students since they are still students or that for all people in the world, what best subject for that? Merely you can be answered for that query above. Every person has several personality and hobby for each other. Don't to be pushed someone or something that they don't want do that. You must know how great in addition to important the book While the Women Are Sleeping. All type of book is it possible to see on many resources. You can look for the internet sources or other social media.

Nancy Figaro:

In this 21st hundred years, people become competitive in each and every way. By being competitive currently, people have do something to make these people survives, being in the middle of the actual crowded place and notice by means of surrounding. One thing that often many people have underestimated the item for a while is reading. Yep, by reading a publication your ability to survive raise then having chance to stand than other is high. For yourself who want to start reading any book, we give you this kind of While the Women Are Sleeping book as basic and daily reading reserve. Why, because this book is greater than just a book.

Aaron Blue:

Spent a free time for you to be fun activity to do! A lot of people spent their leisure time with their family, or their very own friends. Usually they doing activity like watching television, gonna beach, or picnic within the park. They actually doing ditto every week. Do you feel it? Do you need to something different to fill your own free time/ holiday? Can be reading a book could be option to fill your free of charge time/ holiday. The first thing you will ask may be what kinds of e-book that you should read. If you want to try look for book, may be the e-book untitled While the Women Are Sleeping can be fine book to read. May be it is usually best activity to you.

Glenn Remaley:

People live in this new time of lifestyle always try to and must have the free time or they will get lots of stress from both daily life and work. So , whenever we ask do people have spare time, we will say absolutely of course. People is human not only a robot. Then we inquire again, what kind of activity are there when the spare time coming to anyone of course your answer can unlimited right. Then ever try this one, reading ebooks. It can be your alternative within spending your spare time, the actual book you have read is usually While the Women Are Sleeping.
