## **Divorce According to Rabbi Jesus** Kimberly A. Witkowski M.R.E.

In Christianity, divorce has carried a stigma to those who have endured it. The general view is that divorce is sin. Does the teaching of Jesus in the Gospels truly support the dissolution of marriage only by adultery? Did He liken remarriage to adultery? Numerous doctrines, including the prevailing view of divorce and remarriage, have been forced into the body of Christ based on misunderstandings of the teaching of Jesus. This book examines the basis for Jesus' teaching on divorce and remarriage in light of its historical context in first century Judaism, and its tradition and rabbinic teaching.
