Since the Normandy landings, the Allied forces continued to grow, repelling the Germans further and further. But in September 1944, Hitler saw an opportunity to direct a counter-attack. His plan was simple: targeting the poorly-defended Belgian Ardennes to seize the port of Antwerp and divide the opposing army. Therefore, on 16th December, at around 5:30am, the attack was orchestrated and one of the most important battles of World War II took place.

This book is a practical and accessible guide to understanding more about the Battle of the Bulge, providing you with the essential information and saving time.

### **In 50 minutes you will be able to:**

- Understand the social and political context of WWII that led to the Battle of the Bulge
- Identify the commanders and leaders of the Third Reich and the Allied troops involved in the battle
- Analyze the actions taken by each of the armies and how they ultimately contributed to the final Allied victory
