## **The Still Point Dhammapada: Living the Buddha's Essential Teachings** Geri Larkin

The Dhammapada is much loved by Buddhist practitioners as a simple and straightforward rendition of some of Buddha's core teachings, and is read daily by thousands of people. While there are many translations available, few have an inclusive – and lyrical – sensibility. In studying various versions of this sacred text, Larkin noted many discrepancies and embarked upon an entirely original translation. Each instalment gets tested at the Still Point Zen Buddhist Temple in Detroit, a remarkable Zen centre in the heart of one of the roughest neighbourhoods in the country.

This small gift hardcover will have the appeal of the Thomas Byrom/Ram Dass edition, but will be made even more accessible with each chapter's introduction containing a powerful contemporary anecdote from the Still Point Temple community. This 'Downtown Dhammapada' will appeal not only to Buddhists, but to those who also appreciate beautifully rendered sacred texts as simply good reading.
