## **Applied Typeface: Japanese Style Typeface Design and Applications** Xia Jiajia

This book selects outstanding typography design works from Japan. Readers can find that in the creating process, the designers fully consider the characteristics of the product itself, and pay attention to coordinating the relationship between its font and the other design elements. The font design works are all fluid, cool, fresh, refined and beautiful. They have multiple forms and multiple colors. With a strong visual impact the design of a particular font can bring endless charm.
