Some books teach coaches and players what to do; this also explains why. Developed by an all-star cast of coaches selected by the American Baseball Coaches Association, *Baseball Strategies* is the most comprehensive resource ever written on the tactical aspects of the game. Providing the content are 18 of the game's top strategists, including several coaches whose teams have totaled more than 1,000 wins and have won national championships.

Meet every decision-making challenge, from setting the most effective lineup at the plate and in the field to deciding what play to call and when to call it in tight game situations. Should a runner be sent on a 2-2 pitch with one out? Should a hitter be walked to allow for a force-out even if the next batter is an RBI leader? When should a pitcher hold a runner on base from the stretch position or pitch from a more comfortable full windup? The analyses and answers to all of these questions and many more can be found in this book.

In part I, you'll learn the specifics of offense, from determining the hitting lineup to studying the strengths and weaknesses of the opposing pitcher and defense. The contributors to the offensive side of the game include Itch Jones, Mike Gillespie, Danny Hall, and Mark Johnson. In part II, experts such as Bob Bennett and John Winkin explore pitching from every angle, including strategies for shutting down hitters, stopping baserunners, and fielding the position. In Parts III and Parts IV, you'll learn better defensive strategies for fine-tuning your strategic approach from George Horton, Jim Morris, and Bobo Brayton, just to name a few.

Take a big tactical lead on your opponent. From position-specific responsibilities to situation-specific options to adjusting to the level of competition to altering your game plan in the middle innings, *Baseball Strategies* covers all the bases to give you a winning advantage in thinking the game.
