Call the Ambulance!

Les Pringle

Call the Ambulance! Les Pringle

Exploding pressure cookers, a thwarted wife's deadly revenge and transvestites in distress - manning an ambulance in the seventies kept you on your toes.

Having survived the rites of passage as a probationer, Les Pringle now has to face up to the reality of life as an ambulance man in Thatcher's Britain. He does this with humour and fortitude - two qualities which are essential if he is to cope with cases ranging from the absurd to the heart rending.

From attending murder scenes to delivering babies ... it's quite a life for Les, and one that he and his shift mates tread with warmth and humour in equal measure.

From reader reviews:

Rodolfo Rodgers:

The book Call the Ambulance! make one feel enjoy for your spare time. You should use to make your capable a lot more increase. Book can to get your best friend when you getting anxiety or having big problem with your subject. If you can make reading through a book Call the Ambulance! to get your habit, you can get more advantages, like add your current capable, increase your knowledge about a few or all subjects. You are able to know everything if you like open up and read a reserve Call the Ambulance!. Kinds of book are a lot of. It means that, science guide or encyclopedia or other individuals. So , how do you think about this reserve?

Roland Hall:

Information is provisions for individuals to get better life, information nowadays can get by anyone at everywhere. The information can be a understanding or any news even a concern. What people must be consider while those information which is within the former life are challenging be find than now's taking seriously which one is suitable to believe or which one typically the resource are convinced. If you find the unstable resource then you get it as your main information you will have huge disadvantage for you. All those possibilities will not happen inside you if you take Call the Ambulance! as the daily resource information.

Daniel England:

Your reading 6th sense will not betray anyone, why because this Call the Ambulance! publication written by well-known writer who knows well how to make book which can be understand by anyone who also read the book. Written throughout good manner for you, still dripping wet every ideas and composing skill only for eliminate your own hunger then you still question Call the Ambulance! as good book not merely by the cover but also by content. This is one publication that can break don't judge book by its protect, so do you still needing another sixth sense to pick that!?! Oh come on your studying sixth sense already said so why you have to listening to yet another sixth sense.

Roberta Nieves:

As a pupil exactly feel bored to reading. If their teacher expected them to go to the library as well as to make summary for some e-book, they are complained. Just little students that has reading's internal or real their leisure activity. They just do what the trainer want, like asked to go to the library. They go to at this time there but nothing reading very seriously. Any students feel that reading through is not important, boring along with can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. So , this Call the Ambulance! can make you experience more interested to read.
