## **Christianity and Cultures: A Mutual Enrichment (Concilium)** Norbert Greinacher

"Irreplaceable as a reference to where Catholic theology is at any given moment, Concilium maps the state of the most pressing questions with solid contributions from leading theologians and cutting edge voices. Each volume addresses major issues in dialogue with wider public discourses, regularly engaging perspectives from the religions of the world. For volumes of substance, breadth and insight, Concilium provides a most impressive response to the most important issues in theology today." Jeannine Hill Fletcher, Fordham University
