Give Me the World Leila Hadley

Leila Hadley, twenty-five years old, divorced, restless, bored with her successful career, set off for the Far East with her six-year-old son for an adventure that would last a lifetime. Now available for the first time in many years, *Give Me the World* is the classic memoir of that trip--to Manilla and Hong Kong, Siam and Singapore, India and Damascus, and on around the world. Told with a remarkable sense of emotion and observation, it is an evocative record of what meets the eye and heart of the traveler. A timeless and moving personal story, *Give Me the World* is proof of the paradox that a 60-foot-long ship deck can enclose complete and boundless freedom.
