House of Wonder Sarah Healy

When we were little and I needed Warren, I would rub my earlobe. And perhaps it was the alchemy of childhood, a magic that happened because I believed it could, but I swear it worked. He always came.

Theirs wasn't always the misfit family in the neighborhood. Jenna Parsons's childhood was one of block parties and barbecues, where her mother, a former beauty queen, continued her reign and her twin brother, Warren, was viewed as just another oddball kid. But as her mother's shopaholic habits intensified, and her brother's behavior became viewed as more strange than quirky, Jenna sought to distance herself from them. She is devoted to her career and her four-year-old daughter, Rose. But now, in his peculiar way, Warren summons her back to 62 Royal Court.

What she finds there—a house in disrepair, a neighborhood on tenterhooks over a rash of petty thefts, and evidence of past traumas her mother has kept hidden—will challenge Jenna as never before. But as she stands by her family, she also begins to find beauty in unexpected places, strength in unlikely people, and a future she couldn't have imagined.
