**Autumn Falls** Bella Thorne

**New friends, new enemies . . . can a magical journal change Autumn's crazy life?**

With her fiery red hair, new-girl outsider status, and tendency to be a total klutz, Autumn Falls definitely isn't flying below the radar at Aventura High. Luckily, she makes some genuine friends who take her under their wing. But she also manages to get on the wrong side of the school's queen bee, and then finds out the guy she's started to like, funny and sweet Sean, hangs with the mean crowd. Now her rep and her potential love life are at stake.

When Autumn vents her feelings in a journal that belonged to her late father, suddenly her wildest wishes start coming true. Is it coincidence? Or can writing in the journal solve all her problems? And if the journal doesn't work that way, is there a bigger purpose for it—and for her?

Filled with personal elements from Bella's own life, AUTUMN FALLS is the first book in Bella Thorne's new series! It has everything readers will love and relate to: a real girl trying to find her own inner strength and be the best she can be, with a hint of magic and mystery, and a steady stream of OMG-I-can't-believe-that-just-happened fun.
