Bible Proofs for Catholic Truths: A Source Book for Apologists and Inquirers Dave Armstrong

Contrary to what many believe, Catholic doctrine is not made up by popes and theologians but is derived entirely from revelation, as this book shows.

In it, veteran Catholic apologist Dave Armstrong gathers in one place countless passages from Holy Scripture that point directly to the teachings of the Catholic Church. This galaxy of more than 2,000 passages from the Bible is overwhelming evidence that on every side Catholic teachings are confirmed by Scripture. Indeed, these passages show that the Catholic Church has a more complete grasp of the meaning of Scripture than those who try to use Scripture to discredit the Church.

That s because Catholic teaching is based not on selective readings of Scripture but on understanding and veneration of the whole Bible in its organic interrelatedness. Catholic doctrines are not distilled from single passages quoted in isolation or out of context; they arise from an encounter with the whole of Scripture, wherein passages on the same theme are read in light of each other, so that together they lead the mind to a complete picture of the truth.

That s why Dave Armstrong has gathered here under 115 thematic headings all the passages in Scripture relating to key Catholic doctrines. This arrangement makes it easy for readers to consider systematically as the Church does all the parts of the Bible that relate to any particular Catholic belief.

Whether you re a Protestant seeking to understand Catholicism, or a Catholic wanting to defend Catholic teaching or learn more about its biblical basis, this is the one book you need.
