Clinical Management of Renal Transplantation (Developments in Nephrology)

Clinical Management of Renal Transplantation (Developments in Nephrology)

Clinical Management of Renal Transplantation presents The Belfast City and University Hospital experience in renal transplantation. Over the years, the Belfast Renal Transplant Unit has acquired considerable experience in all aspects of renal transplantation which have led to excellent results. The team working in the Belfast Renal Transplant Unit has built up an outstanding reputation which has become widely known. This volume is a comprehensive, practical reference work for senior medical students and nurses as well as for the established nephrologist and transplantation surgeon. It provides a clear and concise picture of the care needed by patients who are being prepared for renal transplantation or who have recently received a kidney transplant.
