Obergefell v. Hodges: The landmark United States Supreme Court case in which the Court held that the fundamental right to marry is guaranteed to same-sex couples Daniel H Kleiman

Obergefell v. Hodges, 576 U.S. ____ (2015), is a landmark United States Supreme Court case in which the Court held in a 5–4 decision that the fundamental right to marry is guaranteed to same-sex couples by both the Due Process Clause and the Equal Protection Clause of the Fourteenth Amendment to the United States Constitution. I have taken the original text from the court ruling and formatted it into a 6" x 9" booklet so anyone who wishes can have a piece of history on their coffee table or bookshelf.
