## **One World, One People: How Globalization is Shaping Our Future** Gregory C Dahl

In *One World, One People*, author Gregory C. Dahl offers a penetrating look at the questions surrounding globalization not only in economics but also in all aspects of human life. Surveying the past century's developments in technology, ideology, and politics, he shows how the current world situation arose from forces that are gradually contracting the planet and its societies.

Drawing on his many years of experience working for the International Monetary Fund and from insights provided by the Bahai Faith, Dahl offers evidence of the inevitable path toward world unity. His critical examination of history, political influences, and implications of global trends suggests a promising future for all of humankind.
