## **Real Identity: Where Life and Bible Meet** Thaddeus Barnum

Author Thad Barnum leads his readers through engaging devotional reflections into the soul's most personal crossroads—those profound occasions where the Bible intersects a life. In each four-page reading, Barnum artfully connects the truth of Biblical story to his own (and ours), revealing and modeling the way of an authentic disciple.

In *Real Identity*, Barnum guides us at our own pace through key passages of Genesis, asking us to think deeply on some of life's biggest questions: Who is God? Who am I? And why am I? Likewise he challenges us to consider the implications of life's biggest answers: God hears. God cares. God acts on our behalf.

Begin the journey into an authentic holiness by discovering who you were created to be; and in the process find your own all-important intersection, where what you know meets how you live. For those who are tired of a superficial belief in God and the Bible, this transparently crafted book shines the light of Scripture upon a well-worn path, for all disciples who would be real.
