## **Room 207** Esther Osayande

Sometimes, even for a strong-willed career-woman, life gets in the way. So does death.

Sherice Fischer's time working in Room 207 has barely begun, but it's already filled with scandal. After all, when you're looking at files of confidential forensic data, it is bound to range from the mild to outright scandalous.

Unfortunately, there is even more scandal outside of the office for Sherice: sex, lies, and betrayal -- and it seems to be becoming a part of the life she lives while working in forensics at the Chicago Police Department. Will her dream of becoming Director of Forensics in her unit be able to survive her personal life?

The intense story of *Room 207* (the first novel in an exciting new series) follows Sherice's passion through its trials and tribulations, including her affair with Reggie (the love of her life) and the homicide investigation of his best friend.

Will she reach her dream to become Director -- or will the personal drama surrounding her keep her forever trapped in Room 207?
