Still Waters Jennifer Lauck

Anger is a poison ivy in the heart and if it grows unchecked, it covers all the soft spaces where you love and understand and feel joy.

There's power in anger, sure, a power that can help you survive.

But true wisdom is in knowing when to let it go.

In *Still Waters*, Jennifer Lauck continues the riveting true story begun in her critically acclaimed memoir, *Blackbird*.

Clutching her pink trunk filled with secret treasures, the last relics of a lost childhood, twelve-year-old Jenny steps off a bus in Reno and straight into the wide-open future, where no path is certain except that of her own heart....Separated from her brother, Bryan, and passed from caretaker to caretaker, Jenny endures as she always has: by following the inner compass of the survivor. But when Bryan chooses a shocking, tragic destiny, Jenny must at last confront the secrets, lies, and loneliness that have held her prisoner for years. Embarking on a search for answers, the adult Jenny discovers that the past cannot be locked away forever -- even when unraveling one's own anger and pain seems an impossible feat. Now, in the warmth and understanding of her marriage, in the eyes of her child, and in powerful conversations with a dynamic young priest, Jennifer finds her own miracles. A hardened heart learns to love. A damaged soul finds peace. And life, once merely a matter of survival, becomes rich with the joys of truly *living*.

From reader reviews:

Lori Barnes:

What do you regarding book? It is not important to you? Or just adding material when you want something to explain what you problem? How about your time? Or are you busy particular person? If you don't have spare time to complete others business, it is make you feel bored faster. And you have time? What did you do? Every individual has many questions above. They need to answer that question mainly because just their can do this. It said that about reserve. Book is familiar in each person. Yes, it is correct. Because start from on kindergarten until university need that Still Waters to read.

Sheila Robinson:

Playing with family in a park, coming to see the marine world or hanging out with buddies is thing that usually you will have done when you have spare time, subsequently why you don't try factor that really opposite from that. A single activity that make you not sensation tired but still relaxing, trilling like on roller coaster you are ride on and with addition of knowledge. Even you love Still Waters, you may enjoy both. It is very good combination right, you still need to miss it? What kind of hang-out type is it? Oh seriously its mind hangout folks. What? Still don't get it, oh come on its identified as reading friends.

Donna Cauley:

Does one one of the book lovers? If yes, do you ever feeling doubt when you are in the book store? Make an effort to pick one book that you find out the inside because don't judge book by its deal with may doesn't work this is difficult job because you are afraid that the inside maybe not since fantastic as in the outside look likes. Maybe you answer could be Still Waters why because the amazing cover that make you consider concerning the content will not disappoint anyone. The inside or content is actually fantastic as the outside as well as cover. Your reading 6th sense will directly assist you to pick up this book.

Wanda Holmes:

You are able to spend your free time to study this book this publication. This Still Waters is simple bringing you can read it in the recreation area, in the beach, train and also soon. If you did not include much space to bring the particular printed book, you can buy the e-book. It is make you easier to read it. You can save often the book in your smart phone.
