Twisted Willows Grace Amann

Leonora's mother was pushed into insanity and was locked up as a lunatic—a fact Leonora's guardian, Aunt Helen, takes pains to mention at any opportunity. Helen has little interest or affection for her young charge, although she enjoys the luxurious life afforded by Leonora's inheritance and Twisted Willows, the dark, rambling mansion in which they live.

Leonora grows up a timid, easily frightened child. She sleeps in the same room where tragedy struck. A room where horrible murders took place, by a woman pushed over the edge of sanity. So it's no small wonder Leonora suffers from increasingly horrific night terrors.

Once she is sent off to boarding school, however, Leonora manages to escape the continuous mental degradation offered by her aunt. Even so, Leonora's nightmares continue to worsen and now involve a sinister, disfigured man who begins appearing in the waking world.

Is insanity hereditary or is Leonora driven by her own delusions?

Twisted Willows is a deliciously Gothic psychological thriller that proves the meek, even if they inherit the earth, risk losing everything if they succumb to the mind's dark places.

From reader reviews:

Leola Grant:

Do you have something that you like such as book? The guide lovers usually prefer to decide on book like comic, brief story and the biggest one is novel. Now, why not attempting Twisted Willows that give your fun preference will be satisfied by reading this book. Reading behavior all over the world can be said as the opportunity for people to know world better then how they react to the world. It can't be claimed constantly that reading addiction only for the geeky man but for all of you who wants to always be success person. So , for all you who want to start examining as your good habit, you could pick Twisted Willows become your current starter.

Patsy Locke:

This Twisted Willows is great reserve for you because the content which can be full of information for you who all always deal with world and still have to make decision every minute. This particular book reveal it info accurately using great arrange word or we can state no rambling sentences in it. So if you are read the idea hurriedly you can have whole data in it. Doesn't mean it only offers you straight forward sentences but tough core information with beautiful delivering sentences. Having Twisted Willows in your hand like having the world in your arm, data in it is not ridiculous 1. We can say that no guide that offer you world within ten or fifteen minute right but this publication already do that. So , this is certainly good reading book. Hi Mr. and Mrs. busy do you still doubt in which?

Carolyn Alcantara:

This Twisted Willows is completely new way for you who has curiosity to look for some information since it relief your hunger of information. Getting deeper you upon it getting knowledge more you know or else you who still having small amount of digest in reading this Twisted Willows can be the light food for you because the information inside that book is easy to get simply by anyone. These books develop itself in the form which can be reachable by anyone, that's why I mean in the e-book type. People who think that in reserve form make them feel tired even dizzy this publication is the answer. So there isn't any in reading a publication especially this one. You can find actually looking for. It should be here for you actually. So , don't miss the item! Just read this e-book kind for your better life in addition to knowledge.

Guadalupe Hauser:

A lot of e-book has printed but it is different. You can get it by net on social media. You can choose the most beneficial book for you, science, amusing, novel, or whatever through searching from it. It is called of book Twisted Willows. You can include your knowledge by it. Without departing the printed book, it could add your knowledge and make an individual happier to read. It is most significant that, you must aware about publication. It can bring you from one destination to other place.
