Heartache Falls: An Eternity Springs Novel Emily March

The healing magic of Eternity Springs continues in this novel in Emily March's vibrant series about a very special town and the people who need it most.

Married for more than twenty years, and with her children out of the nest, Ali Timberlake has come to Eternity Springs alone. She's looking for answers to heartbreaking questions and searching for something that's missing deep within herself. Taking a lease on the Bristlecone Café in pursuit of a lifelong dream, Ali feels revitalized as she becomes part of this charming mountain town. But a big piece of her is still back in Denver with her husband, Mac, a successful judge—and a man who isn't going to let the woman he loves leave without a fight.

When Mac shows up in Eternity Springs—sexy, seductive, and determined to win his wife back—he experiences the wonder of the place that has given Ali such feelings of happiness and belonging. He wants that for her, but even more, he wants that *with* her. Ali has found a special place for her heart. But is there still enough room left in that heart for him?
