Parrots & Pirates (A Mystery at Sea) Elizabeth Levy

It's been six months since their last adventure aboard the *S.S. Excalibur* and Philipa and her friend Philip (who happens to be the son of the ship's captain) are both excited to meet the ship's new assistant cruise director, Herby Twining. Herby is a real jokester, the kind of guy who gets a kick out of shaking your hand with a buzzer hidden in his palm. Philip is quite entertained by Herby and appreciates his skills as an amateur magician, but when Philip's expensive and rare parrot, Don Quixote, goes missing and Herby seems like he might be a prime suspect, suddenly Phillip isn't laughing anymore.
