Reading Genesis 1-2: An Evangelical Conversation Richard Averback, Todd Beall, C. John Collins, Jud Davis, Victor P. Hamilton, Tremper III Longman, Kenneth J. Turner, John Walton

Seven specialists in Old Testament theology and interpretation come to-gether to offer a variety of needed biblical perspectives and insights on how to interpret the first two chapters of Genesis correctly. Evangelical scholars, college and seminary professors (and their students), and pastors will benefit from this title. This is the only book of its kind that involves a critical and comparative assessment of the early Genesis narratives by Old Testament scholars actually working in the field.
