Weaving Shaker Rugs: Traditional Techniques to Create Beautiful Reproduction Rugs and Tapes

Mary Elva Congleton Erf

Learn how to make colorful, gorgeously patterned rugs using the 200-year-old techniques of the Shakers. The author researched and analyzed textiles at five historic Shaker village sites before developing a method to create new versions of these classics. You'll learn how ten original rugs were woven and then get detailed instructions on how to make ten reproduction rugs, with full explanations of the dyeing, the warp material, the weft materials, and how to weave, as well as instructions for weaving Shaker tapes. Learn about the history of the Shakers in America and the impact of their craftsmanship on our arts tradition. Like all items used in daily Shaker life, these rugs have three outstanding characteristics: they are unusual in their design, they are perfect for the purpose they are meant to serve, and they are beautiful in quality.

Catherine Benavidez:

As a college student exactly feel bored to help reading. If their teacher expected them to go to the library or make summary for some publication, they are complained. Just small students that has reading's heart or real their interest. They just do what the educator want, like asked to the library. They go to at this time there but nothing reading very seriously. Any students feel that examining is not important, boring in addition to can't see colorful photographs on there. Yeah, it is to be complicated. Book is very important in your case. As we know that on this period of time, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore , this Weaving Shaker Rugs: Traditional Techniques to Create Beautiful Reproduction Rugs and Tapes can make you experience more interested to read.
